Organization: **Community Outreach for Psychiatric Emergencies (COPE)**

Telephone: 612-596-1223 24 Hours per day, 7 days per week

Description: COPE provides on-site crisis intervention services to individuals with serious and persistent mental illness residing in Hennepin County. Mental Health Professionals provide mobile crisis counseling, consultation, assessment, emergency medicine; referral for hospitalization or further evaluation; and consultation with concerned others where appropriate. In addition, COPE works closely with Community Support Programs (CSPs). Cope's goal is to manage crises within the person's place of residence and decrease the need to refer clients out of their homes for emergency care.

Organization: **Community Support Services Programs (CSPs)**

Address: Seven Sites Available. See site listings below.

Description: Hennepin County contracts with four providers to deliver psychosocial rehabilitation services at seven geographically accessible CSP sites. These programs provide easy access to services for persons with serious and persistent mental illness who have a history of, or serious risk of, crisis and destabilization and who need ongoing assistance to maintain community stability. Individuals may need services for both mental health and chemical health issues.

Services include access and outreach, adult rehabilitative mental health services (ARMHS), housing support, and individual and group training in basic living and social skills. CSPs are the sites for the Mental Health Initiative Teams that provide team-based intensive case management services. CSPs also provide Rule 79 case management for persons ready to leave intensive case management services.
